

Studio Moi

Vattugatan 17 (5th floor),
111 52 Stockholm

Inaugurated in early 2025, MOI Studio was designed with practicality in mind. Perfect for online events, it offers premium lighting, modular standing tables, and three display screens. The setup ensures speakers can stay fully focused on their presentation, without distractions, while everything else runs seamlessly in the background.

Event Modes	Studio size	Stage size
Online	18 m ²	9 m ² (3 x 3 m)
